Trails Locals Love

Farmington locals are avid outdoorsmen, they spend a lot of time on the world-class trails that are easy to access and right at the edge of town. We asked our local trail experts to share the best trails for equestrian, mountain biking, and off-roading, and compiled this list of the must-ride trails in the Farmington area. Visit FarmingtonNM.org for more specific details on each trail and links to maps.

Top Equestrian Trails

Piñon Mesa Area Trail

This 17-mile loop trail offers incredible 360 views once you've reached the top of the mesa. The climb includes over 2,000 feet change in elevation. On the way up you'll see great hoodoos and on the way down from the mesa the trail will take you through juniper trees for a great ride through a variety of terrain. Because of the diversity of the terrain of the trail, hoof protection is recommended. Access from Hwy 170 (La Plata Highway). There is a gate with a parking area found across the highway from Coyote Drive.

Sherriff's Posse Trail

This 7-mile trail is marked and can be accessed from the San Juan Sherriff's Posse arena. This trail offers slight changes in elevation and great views of Lake

Farmington along the tops of the hills. The Sherriff's Posse arena is located at 9001 Marseille Blvd in Farmington. There is a fee to park in this lot.

Top Mountain Bike Trails

Alien Run

This trail is for mountain bikes only and features just over 16 miles of scenic single track, slick rock and tight turns. Access the trails from Hart Canyon, 4 miles north of Aztec on US Hwy 550, then east on CR 2770. Aztec, NM hosts the Alien Run Mountain Bike Race each spring.

Anasazi Loop

The Anasazi Loop is a fast-paced single track course of 2.8 miles. There are no major climbs or descents, just gentle grades making for a fast and fun loop. The trail is located in Farmington, north of Pinon Hills Blvd, along College

Blvd. Easiest access is from the Hood Mesa Trail parking lot. You can also tap in anywhere north and east of the Farmington BLM Field Office. The loop is ridden counter clockwise.

Road Apple Rally Course

The Road Apple Rally is an annual mountain bike race held in Farmington the first Saturday in October. The course features a fun loop through the Glade Run Recreation Area. Riders enjoy the diverse terrain, beauty of the high desert plateau and minimal climbing – creating a scenic, fast and fun ride that all can enjoy! Access the course off College Blvd north of Piñon Hills Blvd at Lions Wilderness Park. Ride pavement for about 1.5 miles on College Blvd. Where College Blvd meets Hood Mesa Trail at a four-way junction, go straight onto a dirt road. Follow the dirt road and watch for the Road Apple Rally carsonite posts.

Top Off-Roading Trails

Arch Canyon Trail

Arch Canyon is a 12-mile canyon in the Glade Run Recreation Area. This trail includes varying terrain and several natural arches to view, and box canyons through washes with big cliff views. It takes 45 minutes to run through as a loop. Access Arch Trail by turning off of Piñon Hill Blvd onto College Blvd, heading north. At the end of the pavement head west just north of Brown Springs. Once you go over the big blind hill you take a left then a quick right. That road will take you to the Arch Trail carsonites.

Chokecherry Canyon Trails

From dirt and gravel roads to extreme rock crawling, Chokecherry Canyon, located within the Glade Run Recreation Area, features the most scenic and technical trails found in New Mexico. Locals recommend the following trails. For those new to off-roading looking to gain some beginner skills and explore the high desert, the service and entry roads within Chokecherry Canyon are perfect. The Upper Rim Trail is a great option for drivers with above average skills. Seasoned, highly qualified drivers with excellent skills who are comfortable on extremely technical trails where rollover possibilities exist should take on the Waterfall Trail.

Dunes Recreation Area

The Dunes Recreation Area, located just south of Farmington on NM Hwy 371, features the top ATV, side-by-side and dirt bike trails in the region. Situated at the base of the bluffs, this high-desert playground features miles of trails amidst pale yellow sand dunes and stunning embankments of juniper and cedar. The local ATV and dirt bike community has shaped numerous trails within this 800 acre recreation area, showcasing large sand dunes, steep to gentle hillsides and sandy arroyos. This popular OHV area is home to annual off-road dirt bike endurance races and provides riders of all skill levels a place to play, test their endurance and improve their skills.

pick out your favorite bike. With a major emphasis on community, 505 Cycles is a great resource for locals and visitors.

Whether you come to Farmington for the trails, or find yourself with some time to explore, the 505 team will steer you to great rides. If you left your bike
