

Scenic (Yellow), Barker (Green)

Trail 1896 (Purple), Fence Line (Blue)

Barker Loop: (Counter-clockwise)

Total Distance: 0.75 Miles

Elevation Gain: 105 Feet

Difficulty: Green

Trail details: Firm and stable. Start by climbing up a road. Then follow the single track descent around the electric station completing the loop.

Scenic Loop: (Clockwise)

Total Distance: 1.10 Miles

Elevation Gain: 105 Feet

Difficulty: Green

Trail details: Firm and stable. Flat scenic walk on top of the mesa. This trail navigates users past the historic gravesite and on top of the mesa.

Fence Line Trail: (Clockwise)

Total Distance: 1.57 Miles

Elevation gain: 178 Feet

Difficulty: More Difficult Blue

Trail details: Mostly stable with some variability. Tight and twisty single track with punchy climbs. This singletrack is for more difficult trail users.

Trail 1896: (Both directions)

Total Distance: 1.30 Miles

Elevation gain: 221 Feet

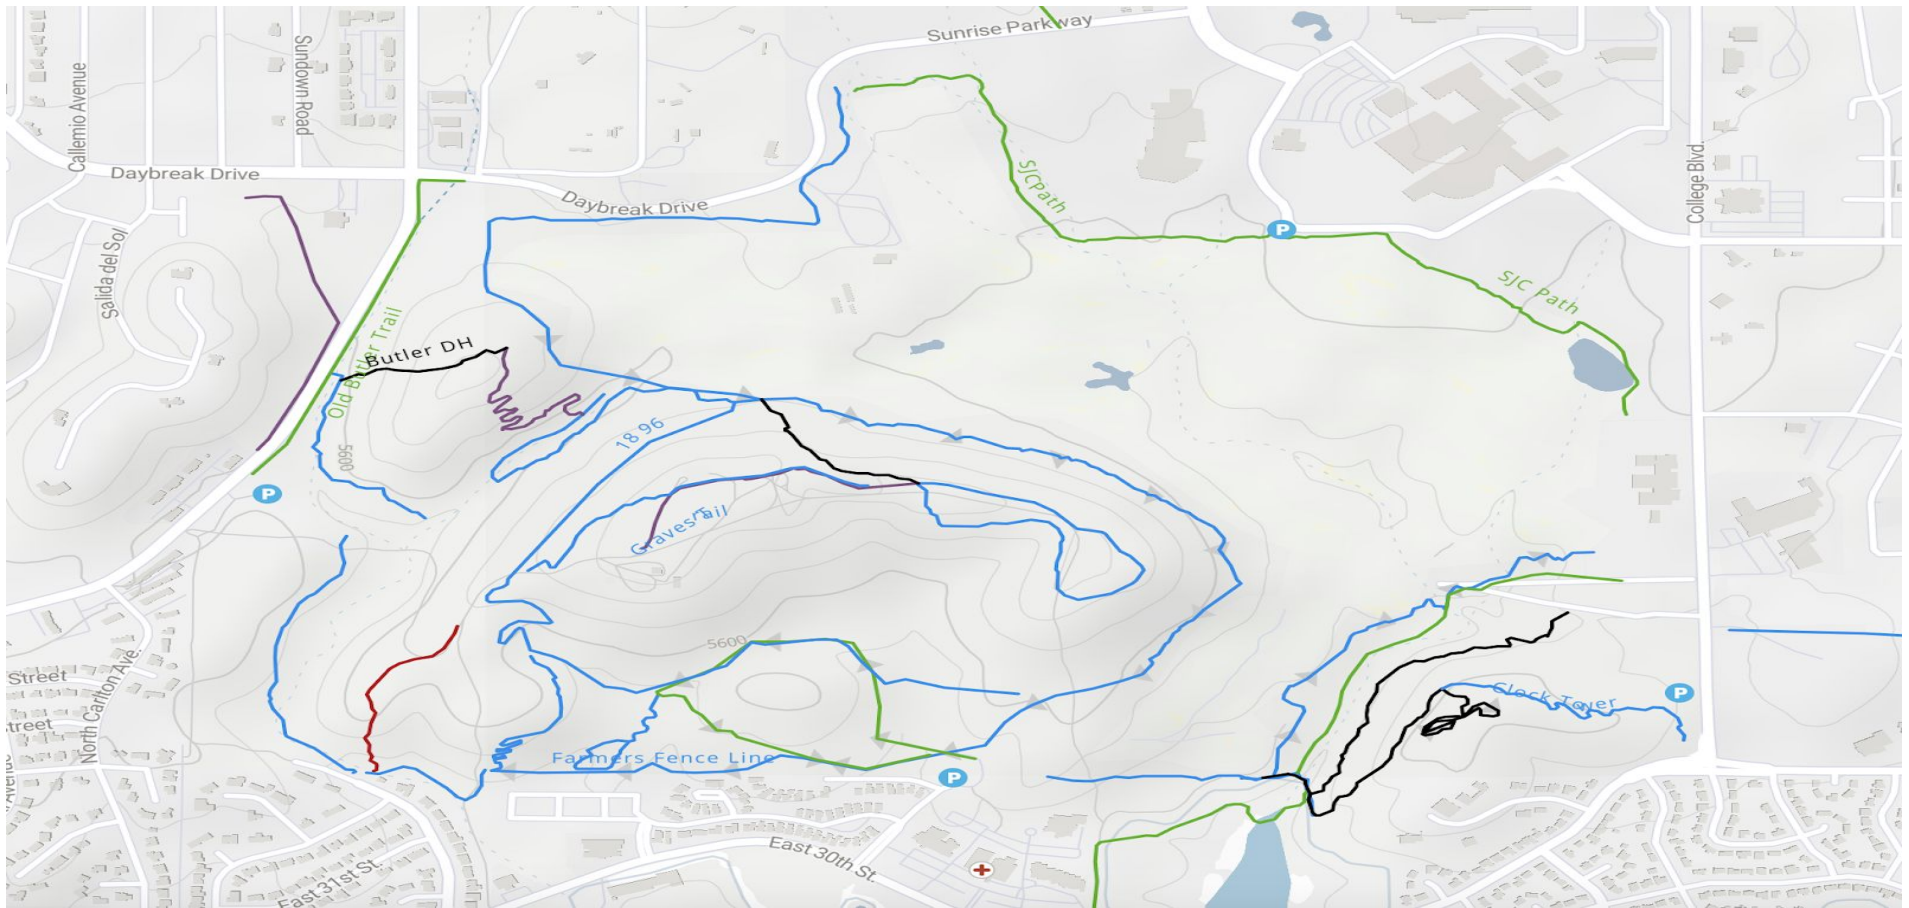

Difficulty: More Difficult Blue Trail

Trail details: Mostly stable with some variability. Gradual single track with a series of switchbacks. Used to connect Fenceline, Scenic and Barker trails.
